52.0000-4204 COVERAGE OF OPEN DELIVERY TRUCKS

All open delivery trucks or other delivery vehicles shall be covered with a tarp or other means to preclude paper or other materials from blowing out along the roadways.

52.000-4408 INSTALLATION SECURITY

The Anniston Army Depot (ANAD) is currently operating on a heightened state of security awareness and enforcement due to possible terrorist threats. Due to this heightened state of security, it is imperative that no unauthorized materials of any type be brought onto or left unattended on the installation. For this reason the Contractor must have a process in place to receive and store materials and have visibility of the location of those materials at all times while on ANAD. This includes construction materials, equipment, and miscellaneous items. This visibility/accountability of materials applies to the Contractor, its subcontractors, and its material suppliers.

Further, all Contractor, subcontractor, and material supplier employees are prohibited from bringing personal belongings of any nature onto the installation if such items are to be left unattended at any time.

The Contractor is further required to have a plan of action for implementing these procedures and must submit it to the Contracting Officer upon request. This plan of action must include a provision for informing all employees and subcontractors of these procedures. The plan of action must also address monitoring and procedures the Contractor has in place to ensure compliance with this contractual provision.

Should the Contractor fail to comply with this mandatory contractual provision, the Contractor may be held responsible for all direct and indirect cost incurred by the Government in identifying, securing, segregating, removing, and otherwise properly disposing of improper or abandoned materials/equipment.

(End of clause)

52.000-4702 AMC-LEVEL PROTEST PROGRAM

If you have complaints about this procurement, it is preferable that you first attempt to resolve those concerns with the responsible contracting officer. However, you can also protest to Headquarters, AMC. The HQ, AMC-Level Protest Program is intended to encourage interested parties to seek resolution of their concerns within AMC as an Alternative Dispute Resolution forum, rather than filing a protest with the General Accounting Office or other external forum. Contract award or performance is suspended during the protest to the same extent, and within the same time periods, as if filed at the GAO. The AMC protest decision goal is to resolve protests within 20 working days from filing. To be timely, protests must be filed within the periods specified in FAR 33.103.

Send protests (other than protests to the contracting officer) by U. S. Postal Service to:
HQ Army Materiel Command
Office of Command Counsel
9301 Chapek Rd, Room 2-1SE3401
Fort Belvoir, VA 22060-5527

Facsimile number (703) 806-8866/8875

Packages sent by Federal Express or UPS should be addressed to:
HQ Army Materiel Command
Office of Command Counsel
Room 2-1SE3401
1412 Jackson Loop
Fort Belvoir, VA 22060-5527

The AMC-level protest procedures are found at:

If Internet access is not available, contact the contracting officer or HQ, AMC to obtain the AMC-Level Protest Procedures.

52.000-4706 ELECTRONIC SUBMISSION OF OFFERS

All responses to this solicitation must be submitted in electronic format. Paper copy responses will not be accepted. You may submit your response to Anniston Army Depot (ANAD) using one of these three methods: Offers submitted using any other means will not be accepted.

FAX:

The FAX number for your bids/proposals is **(256) 240-3077 extension 2222**. This FAX line is attached to a "FAX Server" which will store your transmittal. All FAX receptions are automatically time/date stamped. Sending FAX station information is also stored with the received FAX (i.e., originating telephone number and any station information you've programmed for transmission). The maximum file size for this FAX number is 4K. Instructions to fax to an extension: Dial the fax number and then press the "pause" or "pause/redial" button and then our "2222" extension. Most fax machines have a "pause/redial" button. Consult your fax machine user manual for specific instructions. The pauses delay the fax machine's transmission of the extension and allows the telephone system time to send the extension "beeps."

E-MAIL SUBMISSION:

E-Mail bids/proposals will be directed to anadacqnet@conus.army.mil. Check with your Internet Service Provider (ISP) to verify that E-Mail attachments are allowed - some ISPs will "strip" attachments prior to transmission. Attachments to your E-Mail which require the purchase of software to view your bid/proposal will not be accepted. If you send E-Mail attachments, there must be a readily-available, royalty-free viewer available for our use in viewing and printing your submission.

ON-LINE SUBMISSION:

On-line submission of bids/proposals is via our "Vendor Response Module." This method allows you to select a solicitation, point at file(s) on your PC, and directly transmit these file(s) to our Web Server for action. Detailed information regarding the Vendor Response Module is available at <http://www.procnnet.anad.army.mil/>, Vendor Information, Bid Submission.

If format is other than Microsoft Word, Microsoft Excel, Microsoft Access, Microsoft PowerPoint, or Portable Document Format (PDF), a "reader" must be provided. Offeror must insure its offer, in its entirety, reaches the Directorate of Contracting, Anniston Army Depot, before the time set for bid opening or proposal closing.

Any clauses or provisions of this solicitation which mention writing, returning, or submission of offer will mean electronic submission as stated in the paragraph above.

Electronic offers must identify the solicitation and the opening/closing date, and include, as a minimum, the following:

- a. The SF33/SF1449/SF18/SF1442 filled out and signed.
- b. All applicable fill-in provisions from the solicitation must be completed.
- c. Any other information required by the solicitation.

Lateness rules are outlined in the solicitation.

If you choose to password-protect access to your offer, you must provide the password to ANAD before the opening or closing date. Contact the buyer identified on the cover page of this solicitation to arrange a means of providing the password. Passwords used only for the purpose of write protecting files need not be provided.

Offerors shall make every effort to ensure that their offer is virus-free. Offers (or portions thereof) submitted which DO reflect the presence of a virus, or which are otherwise rendered unreadable by damage in either physical or

electronic transit, shall be treated as "unreadable." See Federal Acquisition Regulation 14.406 or 15.207(c) for a description of the steps the Government shall take with regard to unreadable offers.

Any bid bond required by this solicitation must be submitted with offer in the above mentioned electronic format. Also, the properly completed original bid bond must be furnished to the Directorate of Contracting, Anniston Army Depot, 7 Frankford Ave, Anniston, AL 36201-4199, prior to the opening or closing of the solicitation.

(End of provision) March 2007

For equipment or supplies, contractor shall have completed each contract within the past three (3) years.

5. "Relevant past performance" is defined as performance similar in nature and in scope to work required by this acquisition. The government will screen contract information provided by offeror and will remove from consideration those contract references that are clearly unrelated to the type of effort sought.
6. The government will consider this information in its evaluation of performance risk for offeror and proposed major subcontractors. The government will make a reasonable effort to consider information on the contracts cited for offeror and for each major subcontractor.
 - a. The government reserves the right to evaluate fewer than three (3) contracts for any contractor should we be unsuccessful in obtaining required information from sources cited. In that case, contractor (or subcontractor) will be evaluated on the information available.

b. Should the government receive information on more than three (3) contracts, selection of those to be considered in evaluation will be based on the criteria stated previously.

7. The government reserves the right to consider information from other sources in its evaluation.

8. See separate evaluation clause for specific factors, rating criteria, and relative importance of past performance evaluation for this acquisition.

This increase or decrease shall apply to each line item.

(End of clause)

52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (SEP 2006)

(a) North American Industry Classification System (NAICS) code and small business size standard. The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of offers. Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

(1) The solicitation number;

(2) The time specified in the solicitation for receipt of offers;

(3) The name, address, and telephone number of the offeror;

(4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

(5) Terms of any express warranty;

(6) Price and any discount terms;

(7) "Remit to" address, if different than mailing address;

(8) A completed copy of the representations and certifications at FAR 52.212-3 (see FAR 52.212-3(k) for those representations and certifications that the offeror shall complete electronically);

(9) Acknowledgment of Solicitation Amendments;

(10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and

(11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for acceptance of offers. The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product samples. When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple offers. Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers:

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and--

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an

offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) Contract award (not applicable to Invitation for Bids). The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple awards. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation. (1)(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101-29, and copies of specifications, standards, and commercial item descriptions cited in this solicitation may be obtained for a fee by submitting a request to--GSA Federal Supply Service Specifications Section, Suite 8100, 470 East L'Enfant Plaza, SW, Washington, DC 20407, Telephone (202) 619-8925, Facsimile (202) 619-8978.
